Subject: Visit to Pavillion tomorrow

So as to keep EPA current with the evolution of the drinking water issue, I will be attending tomorrow night's meeting in Pavillion. I'll be getting in to Riverton around noon, so would have some time tomorrow afternoon to check in with the residents if that is of interest and folks are available. Let me know your thoughts- I'm sure I'll probably see both of you at the meeting in any case. look forward to catching up with you.
